

Spatial distribution of Metal Crusher Units: Nedumangad Taluk, Thiruvananthapuram District.

Legend

- | | | |
|------------------|---|--------------|
| Location |  | Water body |
| State Highway |  | River Island |
| District Highway |  | Village |
| Other Road | | |

A scale bar indicating distances in Kilometers. The bar is divided into three segments: a black segment on the left, a white segment in the middle, and another black segment on the right. Numerical labels '0', '2.5', '5', and '10' are positioned above the first, second, third, and fourth segments respectively. The word 'Kilometers' is written in black text at the end of the scale bar.

Project: Development of a Depository of Resource Planning and Management capacity building spatial and non-spatial Digital Data (DDRPMD).
Funded by: Kerala State Council for Science, Technology and Environment (KSCSTE)
